

RESPONSIBLE LAND
STEWARDSHIP

MEMBER COMMUNICATIONS AND AGREEMENT LETTER

Thank you for becoming a member of the Chama Peak Land Alliance (Alliance)! We are happy that you are joining our diverse group of conservation-minded landowners committed to embracing and practicing responsible land, water and wildlife stewardship in southern Colorado and northern New Mexico for the benefit of our tri-cultural heritage and for generations to come. The Alliance evolved as a way for landowners to unite for coordinated conservation through collaboration, communication, and a unified response to land management issues. Through our efforts we seek to build trust and partnerships that produce positive benefits for all.

While our work unites our landowners, all actions by landowners are completely voluntary. It is a fundamental tenet of the Alliance to respect the rights and interests of private landowners. In addition to respecting private property rights, we respect the privacy of our member landowners and their representatives. As such, while the Alliance supports cooperation among members, membership privileges do not include the right by the Alliance or their members to site visits or affairs of individual properties, except by invitation.

Because we are a small organization of landowners working collaboratively on issues of common interest, our members have found it desirable to have a shared membership contact list. This contact list is intended only for internal use among members and is not to be shared or in any way used for solicitations or other purposes not immediately relevant to the Alliance. If you are willing to share your information with other members, please check the box accordingly in the online membership form.

Please also indicate if we can communicate with you via e-mail and mail about relevant events and opportunities. Don't hesitate to contact our Executive Director, Emily Hohman, with any questions or comments you have about our work at chamapeak@chamapeak.org or 1-888-445-7708.

Sincerely,

Frank Simms, Chair

Tim Haarmann, Vice-Chair
